Dear Customer:

Enclosed is a Material Safety Data Sheet for a product(s) that your company ordered from DeSoto, Inc. Please make certain that this information is sent promptly to the department in your company responsible for employee health. To designate the department to which we should address future MSDS mailings or add an additional location, please type that information on the bottom of this letter and return it to us.

Thank you for your cooperation. We value your business highly, and we will continue to make every effort to provide you with the information you need to use our products safely.

Very truly yours,
